God's unconditional love;

What can we say about God's love?
 We can say that God's love is unconditional.
 God does not say 'I love you, if.....'. There are
 no ifs in god's heart. God's love for us does
 not depend on what we do or say, on our looks
 or intelligence, on our success or popularity.
 God's love for us existed before we were born
 and will exist after we have died. God's love is
 from eternity to eternity and is not bound to
 any time-related events or circumstances.
 Does that mean that God does not care what
 we do or say? No, because God's love wouldn't
 be real if God didn't care. To love without con-
 dition does not mean to love without concern.
 God desires to enter into relationship with us
 and wants us to love God in return.
 Let's dare to enter into an intimate relation-
 ship with God without fear, trusting that we
 will receive love and always more love.
